

Our Ref: JGT/MGT

9 January 2018

Dear Parent/Carer

We will be holding our annual Careers' Evening on Tuesday 16 January 2018 from 6:00pm to 8:00pm for Years 8 through to 11, students and parents.

It is our aim to help equip students with the understanding and knowledge required to make the correct personal decision regarding guided pathways. The Careers' Evening will give you and your son or daughter the opportunity to talk to representatives from a wide variety of local training providers, further and higher education establishments and employment providers who your son/daughter may consider accessing post 16.

This year there will be over 25 different representatives present. It is an opportunity to find out about different occupations and to talk to as many people as possible about pathways into future careers. We anticipate the evening to be well attended, so please allow at least one hour to visit the representatives.

In addition to the Career's evening there will also be two formal presentations taking place in the Main Hall:

6:00pm – 6:30pm KS4 Guided Pathway Presentation (Year 8 Students & Parents)

6:30pm – 7:00pm KS4 Guided Pathway Presentation (Year 10 Students & Parents)

Can I also make you aware of a useful website called The National Careers' Service. The link can be found on our School website under the Careers section for parents and students. It contains a really comprehensive guide for parents with lots of up to date information.

I really hope you find this event useful and make full use of the expertise of the representatives who will be giving up their time to be with us on the evening. If you have any questions prior to the evening, please do not hesitate to contact me on 01302 831385.

Yours sincerely

Mr M Grant
Vice Principal

Please return to student information desk by Monday 15 January 2018

I do / do not wish to attend the Careers Evening [delete as appropriate]
