Dear Parent/Carer

At Outwood Academy Danum we are always striving to provide the very best education for your son or daughter. Part of this process is to review year group sizes and make improvements where appropriate.

Since the start of the academic year we have been fortunate enough to see our numbers in year 7 increase. This increase has been to such an extent that we now need to change from a six class year group to a seven class year group.

As you will appreciate this process takes a significant amount of time and discussion within school and we thank you for your patience regarding this; we are however extremely pleased with the new timetable.

Year 7 students will be moving on to this new timetable on 19 February 2018. This means that students will move into new groups for almost all of their lessons and may have some changes to the teachers taking their lessons.

Miss White, year 7 learning manager and I have worked with teaching staff to ensure there will be continuity of learning and to ensure students are placed in the best classes to support them.

If you have any queries please contact me by email at danum@danum.outwood.com.

Yours sincerely

Michael Grant
Vice Principal
