

**Pearson BTEC Level 3 National Diploma in
Health and Social Care**

Units:

Over the course of the two years, you are required to complete 8 units of work, including:

- 1) Enquiries into current research in Health and Social Care.**
- 2) Principles of Safe Practice in Health and Social Care.**
- 3) Promoting Public Health**
- 4) Nutritional Health**
- 5)**

Your bridging task is to research into ‘Promoting Public Health’.

You are asked to choose a topic from one of the following:

Skin Cancer

Smoking & associated risks

Alcohol consumption & associated risks

Teenage Pregnancies

You are asked to research the issues involved in your chosen topic, and identify and local and/or national campaigns to raise awareness of the topic. You need to collect evidence of the campaigns.

Protect yourself in five ways from skin cancer
