

Y12 IT: Summer Activity

- For September – first IT lesson!
- 500 word essay – about one page of A4 (size 12 Arial font)
- *Do some research about the ‘Internet of Things’.*
Explain what this means and give a range of examples.
Discuss the possible good and bad implications of this advancement in technology. If possible, you may like to provide reference to specific legal and/or ethical examples within your work.
