

One of the **top ten** errors you must not make

*Your and You're*

*Get it right!*

# YOU'RE

Short version of YOU ARE

e.g. You're doing well

# YOUR

Before a noun to show belonging e.g.

This is your book

# The mental process

- Does “You are” make sense?

You’re

- Is there a noun or noun phrase coming up that belongs to “you”?
