

Our Ref: JGT/CFK

18 December 2017

Dear Parent/Carer

You will be aware that the mock week for Year 11 will commence on Monday 8th January. This is for all Year 11 students and will cover all their subjects. With the importance of the mock exams there will not be as much teaching time for our students. In light of this it is vital that students attend their enrichment sessions.

To fit in with the mock exam timetable the days for enrichment sessions have changed.

Can you please remind your son/daughter of these changes and encourage them to attend as part of their preparation to their mocks.

Week 1

Monday 8th January – Maths
Wednesday 10th January – Science
Thursday 11th January – English

Week 2

Monday 15th January - English
Wednesday 17th January – Maths
Thursday 18th January – Science

Thank you for your continued support.

Michelle Flack
Associate Director of Mathematics.
