Principal: Mrs Jayne Gaunt

Dear Student

I hope that you have now received your supermarket voucher and this helping to provide an alternative to the Free School Meals that we would ordinarily provide at our academy.

In addition to providing this for the weeks that school would normally be open, I'm pleased to say that, as we know this is a difficult time for many families, we have decided to provide these vouchers over the two week Easter holiday this year too. This will be paid for by school as we feel it is important to do everything we can to support you in this difficult time.

We are looking out for announcements from the Government regarding a National Voucher Scheme, to hear if there will be an increase in the daily rate and plans for free school meals over future school holidays. I will update you on this and any changes that it brings as soon as we hear.

I hope that you are making really good progress on your Google Classroom activities. I know that your teachers are very active in adding more activities and in replying to students who ask questions. It is really important that you complete your work to ensure you are not left behind your classmates when we return to school. If you cannot log in, please send an email to google@danum.outwood.com and we will get you up and running. Alternatively, if you do not have a computer, tablet or mobile phone, you can collect work from the small meeting room in reception at school. This work will be refreshed every two weeks to ensure you have enough to keep you going.

We are really missing you and are really looking forward to a time when we are back to normal. If you have any further queries or concerns that we can help you with please email enquiries@danum.outwood.com

Yours faithfully

Mrs J Gaunt
Principal
