

Outwood Academy Danum are delighted with the outcomes achieved by our hard working post 16 students who have achieved on average an extra half a grade higher in each subject than their peers nationally. Which is shown in a progress grade of +0.49. A fifth of students achieved the top A\* to A grades and 44% achieved A\* to B.

These results are testament to the hard work of students and staff.

Thanks must go to parents and governors who continue to support the work of the Academy alongside Mrs Gaunt, principal and Mrs Godfrey, vice principal who has had oversight of post 16, these results are the best the Academy has ever seen.

Significant individual successes from Outwood Academy Danum include Jake Cooke who secured A\* and 3 A grades in maths, statistics and further maths, Luke Cousins who achieved A\* and 2 A grades in maths, statistics and further maths, Luke Jackson who achieved A\* and 2 A grades and Katie Simmons who achieved 2 A\* grades and an A who will all go on to study at the University of Durham. Unik Limbu achieved A\* and 3 A grades will study at University College London and Daniel Gouldsbrough who achieved an A\* and 2 A grades will go on to study at the university of Liverpool.
